DISCLAIMER

Technical information and / or suggestions for use including any formulations and / or procedures are believed to be correct. However this does not constitute a guarantee of the accuracy of the information or suggestions contained herein and confirming tests in your own laboratory and / or facility are recommended.

No statement or suggestion of use should be construed as a recommendation or inducement to violate any regulations and / or requirements or as warranties (express or implied) of its fitness for any particular use and / or purpose and no liability may be assumed. Prospective purchasers are invited to conduct their own test and studies to determine the fitness of Ingredients To Die For products for their particular purposes and specific applications and confirming the information and all instructions and / or procedures directly is recommended. All purchases of products from Ingredients To Die For should be made with the clear understanding that use of any product is at the sole discretion of the customer and that suitability for purpose is at the sole discretion of the customer and should be used only after careful review and understanding of all supportive documentation.

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.

The information contained in this PDF should not be construed as recommending the use of information contained in the PDF in violation of any patent, or as warranties (express or implied) and no patent liability may be assumed. Prospective retailers are invited to conduct their own research to determine compliance for their particular purpose and specific products or legal council is recommended.

The information contained in this PDF is obtained from current and reliable sources. As the ordinary or otherwise use(s) of this product and / or information is outside the control of Ingredients To Die For, no representation or warranty (express or implied) is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained.

Ingredients To Die For expressly disclaims responsibility as to the ordinary or otherwise use(s). Furthermore, Ingredients To Die For as to the fitness for any use should consider nothing contained herein as a recommendation. The liability of Ingredients To Die For is limited to the value of the goods in case of manufacturer defect and does not include any consequential loss.
